It should be everyone's intention to ensure that the IEP Team Meeting be non-adversarial and convened solely for the purpose of making educational decisions for the good of the child. The child's needs must always remain the focus of the Team.

IEP Team Ground Rules ...

1. Communicate Clearly and Listen Carefully
2. Respect the Views of Others
3. Share Your Views Willingly
4. Ask and Welcome Questions
5. Be Open to Ideas and Views Presented
6. Honor Time Limits and Stay on Task
7. Always remember: "It's About the Child"
